**REGISTERED RIDER RESPONSIBILITIES**

- Rider must request trips by 4:00 PM, a minimum of two business days before requested trip is needed.
- Rider who is ADA certified, (Americans with Disabilities Act), must request trips 1 day before requested trip is needed. Trips may be booked up to 14 days in advance.
- Give reservationists exact information regarding address to and from destination as well as correct times.
- When scheduling return trips, allow extra minutes for appointments that may run late.
- Let reservationists know if you will be accompanied by a personal care assistant/PCA or companion, or if you will have small children with you.
  
  **NOTE:** *If bringing a small child they will be required to be in a car/booster seat and are expected to be charged full price. Properly working car/booster seats are the rider’s responsibility to provide.*

- If a trip is no longer needed, call and cancel with as much notice as possible. Anything less than 3 hours of your pick up time, will be considered as a “No Show”
- The rider may call after 2:00 PM the day before their scheduled trip to get their pick up times for the next day.
- Be ready at street level for pick up 20 minutes before, 20 minutes after scheduled pick up time.
- Be ready at street level for return pick up 20 minutes before, 20 minutes after scheduled pick up time.
- Fare payment is done through a debit system. Please contact the MW Call Center for more information.
- Wear seatbelt and allow driver to properly secure mobility devices.
- For rider/driver safety there must be a clear and safe path to and from the vehicle. (i.e. debris, snow & ice). The scheduled trip will not be provided if the driver reports unsafe access.
- Riders who cannot safely and independently use the Dial A Ride service, will be required to bring a PCA (personal care attendant) on the trip.
- Riders are allowed a maximum of 4 shopping bags per trip.
**DIAL~A~RIDE**

**PROVIDER RESPONSIBILITIES**

- Provide access to reservations without excessive hold times.
- Provide rider with good phone etiquette.
- Ensure a reasonable telephone wait time for riders calling to schedule rides and check on trips.
- Request exact pick up and drop off address.
- Attempt to reach riders the evening before trip, with scheduled pick up and return times, unless contact has already been established by rider.
- Schedule rides in a manner that groups riders together without creating unusually long trips.
- Be on time for pick up and drop offs - 20 minutes before to 20 minutes after scheduled pick up time.
- Provide a vehicle appropriate to each rider’s particular needs, with drivers who are trained to be sensitive to the needs of riders with disabilities and elders.
- Assist riders onto and off of the vehicle and assist with use of seat belts.
- Properly secure mobility devices for riders who use them.
- At destinations, assist rider in releasing the secured devices.
- Driver will assist to and from the vehicle by providing door to door service, if necessary. However, a driver is not allowed to enter any buildings beyond the main door or lobby.
- Drivers will assist riders with up to 4 shopping bags total, if requested.

“NO SHOW POLICY”

Riders must be ready at street level for their entire pick-up window. These are the 20 minutes before and the 20 minutes after your scheduled pick-up time. The driver will arrive anytime during the pick-up window and will only wait 5 minutes once they arrive, before leaving for the next pick up. An individual is considered a “No Show” if he/she is not available for the pick-up as described above.

If a rider needs to cancel a previously scheduled ride, they need to call the MetroWest Call Center at least 3 hours in advance of the scheduled pick up time. A rider who cancels with less than three hours notice is considered a “no show”. Adequate advance notice is defined as follows: For trips before 8:00AM, individuals must call the day before to cancel. However, individuals are still encouraged to call and cancel unwanted trips as soon as possible to enable substitute scheduling. For trips after 8:00AM, individuals must call at least 3 hours before their scheduled trip time to cancel. If an Out Of Area medical trip is scheduled and you need to cancel, you must call at least 24 hours in advance of your scheduled ride. A rider who does not call to cancel is considered a “no show”. No shows, late and excessive cancellations take up ride time that could be used to accommodate the travel needs of others.

*Note: Out of area trips include, but are not limited to: Worcester, Newton & Boston.

Missed trips deemed by the MWRTA as beyond an individual’s control and service related problems will not be considered a “No Show”.

At the occurrence of the first “No Show” riders will be informed verbally of the policy.

After the second occurrence a letter will be sent informing them of the first and second “No Show”. Included will be a copy of the “No Show” Policy.

If a rider accumulates three “No Shows” within a three month period from the first “No Show”, the rider will not be permitted to use the service for a period of 1 month. Riders have the right to appeal that decision and are given 7 days to submit the appeal in writing to the MWRTA.

Excessive Cancellation Policy

Each situation will be evaluated on a case by case basis. The Policies listed below are subject to an appeal within the prescribed time frame, and the actions described are only taken if the appeal is unsuccessful. **Excessive cancellations are determined by the amount of trips booked, verses the # of those trips cancelled.** No shows, late and excessive cancellations take up ride time that could be used to accommodate the travel needs of others.

After exceeding the policy conditions for the first time in a 1 month period, a verbal warning will be issued outlining the cancellation policy infraction, and informing the rider of further action that could occur.

After exceeding the policy conditions for the second time in a 1 month period, a letter will be sent notifying the rider the first and second policy infractions, and informing the rider of further action that could occur.

After exceeding the policy conditions for the third time in a 1 month period, a second letter will be issued notifying the rider of a minimum 1 month suspension.

Riders have the right to appeal that decision and are given 7 days to submit the appeal in writing to the MWRTA.

See MWRTA Appeal Process

If late/excessive cancellations or no shows persist,
the MWRTA reserves the right to discontinue services.
The following disciplinary action is in effect in cases where a rider violates safety-related rules and/or engages in unsafe behavior while boarding the vehicle, while riding on the vehicle or exiting the vehicle, i.e. rider will not remain seated or belted, rider stands/walks around during transport, rider’s caretaker not home to receive rider who cannot be left alone due to cognitive and/or physical issues, rider exhibits behavior that shows he/she is too frail/weak to ride public transportation.

If a person violates a safety-related rule and/or engages in unsafe behavior, the rider may be refused service immediately, without proceeding through the process of warnings and/or brief service suspensions.

In certain cases, the Administrator or his/her designee may feel that service can still be provided safely if certain conditions are met by the rider and/or the rider’s caretaker. However, if the conditions are not met, i.e. such as a PCA, service to the rider will be terminated immediately.

The above policy also applies to cases where a rider engages in seriously disruptive behavior which can distract the driver and/or endanger him/herself, or other riders.

**The decision is based upon how disruptive the behavior is to the safe and standard daily operations of the services provided by the MWRTA.**

*Any individual who disagrees with a decision made by the MWRTA service operator that affects his/her ability to use the service may file a formal appeal of that decision.*

MWRTA Discipline Policy for Registered Riders

Who Exhibit Behaviors That Are Disruptive to Service

That May Not Be Safety Related:

The following disciplinary action is in effect in cases where a rider engages in disruptive behavior that may or may not be directly related to safety issues (e.g. uses abusive language/treatment toward either the driver or other riders, otherwise bothers/harasses the driver and/or the other riders, etc). This includes all Customer Service staff; reservations, management and dispatch.

If a person violates a non safety-related rule and/or engages in unsafe behavior, the rider may be refused service immediately, without proceeding through the process of warnings and/or brief service suspensions.

In certain cases, the Administrator or his/her designee may feel that service can still be provided safely if certain conditions are met by the rider and/or the rider’s caretaker. However, if the conditions are not met, service to the rider will be terminated immediately.

The above policy also applies to cases where a rider engages in seriously disruptive behavior which can distract the driver and/or endanger him/herself, or other riders.

The decision is based upon how disruptive the behavior is to the safe and standard daily operations of the services provided by the MWRTA.

* Any individual who disagrees with a decision made by the MWRTA service operator that affects his/her ability to use the service may file a formal appeal of that decision.
